

RICH UHRICH COINS

Nearly 150 Bust Halves Acquired

February 19, 2013

Greetings!

We just completed the largest deal in the history of our company. This first newsletter of newps from that deal is nearly 150 Bust Halves, most of which are nice collector coins and are priced to sell. Also included in this group is a small but quality group of Seated Quarters which includes the 1853 No Arrows and the 1872-S, along with 3 certified 1851 quarters and 2 certified 1888 quarters. We also have a few Seated Halves and an 1863 Seated Dollar for those of you who are willing to go to the bottom of the list.

Our next newsletter will contain Seated Halves and Seated Dollars, and the third newsletter will contain Trade Dollars. Because of the large number of coins, we have posted only the coins. The pictures will follow after we issue all three newsletters.

All of our coins including the following newps are posted on our website www.richuhrichcoins.com. If you see any coin(s) of interest, please call (717)533-2935 or (717)579-8238 (cell) or e-mail us at richuhrichcoins@comcast.net to reserve the coin(s) that you want.
